The Original Billet Oil Filter. Nothing like it ... nothing out performs it!™

**PLEASE NOTE: If you do not see the application that you need provide us with a Wix, Fram, K and N, AC Delco etc. Part Number so that we can cross reference it for you.**  
**If you do not have a filter part number please provide as much information as you can such as year, make, model, engine size and we will fit to that information.**

**Material:** 6061-T6 CNC Machined Billet Aluminum, Dual-woven Stainless Steel Filter Media, Viton O-Rings, Magnets

**Benefits:** Increased Flow, Better Fuel Mileage, Cooler Op Temps, Extended Oil Drain Interval, Extend Engine Life.

**Applications:** 25,000 Cross-over numbers, Foreign/Domestic, Gas/Diesel/Bio/Veggie/CNG/Propane for Street, Fleet, Racing, Motorcycle, Marine, Farm, Mining, HD Equipment, Generators Military and Aircraft

Pure Power! Oil Filters have been issued multiple U.S. Patents and fit over 25,000 applications with our Spin-on Direct Replacement Pure Power! Lifetime Oil Filters and are presently being used in Foreign, domestic, gasoline, diesel, bio-diesel, motorcycles to big rig trucks and military equipment, even piston engine aircraft (we are the ONLY cleanable oil filter to pass F.A.A. testing), farm and mining equipment. We have fleets with more than 10,000,000 trouble free miles using Pure Power! Filters.

Pure Power! Filters have been in the Winner's Circle in every major Racing venue on land, sea and air including NASCAR, NHRA (Pro Stock car and motorcycle), IHRA, ABPA, etc. They have won major awards for design, innovation and performance. Pure Power! Motor Oil and Filters have been used in commercial and government fleets for years including Police Motorcycles. BIGFOOT MONSTER 4 x 4 TRUCKS have used our Filters, Motor Oils, Lubes and Grease on all of their competition Monster Trucks and Haulers for nearly 10 years. As you probably know they have ALWAYS been FORD but this year they introduced their newest Monster Truck --- a fantastic new DURAMAX and they have all three filters on it.

**Green and Performance!!!**  
**Never buy another filter.**  
**NO disposal charges.**
